ANNOUNCEMENTS

The township is seeking a volunteer to be the Recycling Coordinator; this person would be responsible for submitting the recycling grants to the State each year. Anyone interested should contact the township.

Plan reviews and inspections in the township are done by a third-party agency. As required by Labor & Industry, all inspections not related to health care facilities, emergency repairs, and work being conducted in connection with a DCED waiver are temporarily halted. Inspections for projects that are underway would depend on the structure and use, or if it is classified as an emergency repair. If a construction project has received a waiver through DCED to continue work on the project, then inspections may continue. If the work is not for a health care facility or emergency repairs to commercial and residential structure, then the inspection will have to wait.

PUBLIC COMMENT

Residents should use this opportunity to comment on the business conducted this evening or request items to be added to the next meeting's agenda.
